Policies and Other Important Information

Class Attire - Proper attire consists of shorts or workout pants, t-shirt and snug fitting socks. No baggy clothing or jeans please. Hair should be tied back and away from face. A personal water bottle is required. Gum is not permitted for safety reasons.

Missed Classes - A telephone call/text message or email to your instructor is important and greatly appreciated if a student will be missing a class.

NOTE: Fees for missed classes are non-refundable. Classes cancelled by the school will be made up by the school at a later date. It is recommended that the students ask the instructor what they missed when they return to class after an absence.

Withdrawal - If at any time you wish to discontinue lessons, you must notify your instructor and the treasurer as soon as possible. If you do not cancel by the first day of the month you will be charged for the remainder of that month.

Parents/Guardians - Parental support is strongly encouraged, however we would appreciate that parents refrain from watching their children during class times as it is a proven distraction to the students and the teacher. Classes are much more effective and beneficial if everyone gives their full attention to the instructor during lessons. There will be plenty of opportunity to view your child's progression throughout the year.

Fundraising - We have a few fundraisers a year to offset expenses of the school. It is a personal choice to participate however we encourage all families to do so as fundraising helps keep our annual fees reasonably priced.

Performances - Throughout the year we are invited to perform at various events in which students and will be notified as the opportunities arise. On top of this we have two main concerts:

- 1) *The Winter Concert*—This is a smaller performance in an enjoyable setting and a fun and festive event for the whole family.
- 2) *The Annual Recital*—This performance allows students the opportunity to dance in a production format at TCU Place. The experience of preparing and performing on a professional stage is a fun and rewarding experience, as well as a great way to showcase what the students have learned throughout the year.

NOTE: Due to COVID-19 ALL performances will be CANCELLED until further notice.
